

Return Policy

This Return Policy outlines the terms and conditions under which customers can request returns for products purchased on our platform. The policy is designed to ensure a smooth and transparent return experience while maintaining product quality standards.

1. Eligibility for Returns

Customers may request a return for eligible products within the specified return window from the date of delivery. To be eligible for a return:

- The product must be unused, unworn, and unwashed
- All original tags, labels, and packaging must be intact
- The product must be returned in its original condition
- Proof of purchase (order ID or invoice) must be available

Returns are subject to verification and quality checks upon pickup or receipt at the warehouse.

2. Return Window

The return window varies depending on the product category:

Mobile & Accessories

Return requests must be raised within 7 days of delivery

Returns are only applicable in cases of:

- Manufacturing defects
- Physical damage during delivery
- Incorrect product received

Shoes

- Return allowed within 10 days of delivery
- Product must be unused and in original packaging
- Sole should not show signs of wear

Apparels

- Return allowed within 7–10 days of delivery
- Products must be unworn and unwashed
- Original tags must be attached

3. Condition of Returned Products

Returned products will be inspected by our quality team. A return request may be rejected if:

- The product shows signs of usage or damage
- Tags or packaging are missing
- The product is altered or tampered with

- The return reason does not match the product condition

4. Return Process

Customers can initiate a return through the platform by following these steps:

- Go to "My Orders"
- Select the product to be returned
- Choose the return reason
- Submit the return request

Once the request is approved:

- A pickup will be scheduled within 2–3 business days
- The product will be collected from the provided address

In cases where pickup is not available, customers may be required to self-ship the product.

5. Return Approval and Verification

All returns are subject to:

- Product verification
- Condition check
- Policy compliance

The return request will be approved only if all conditions are satisfied.

6. Non-Returnable Products

The following items are not eligible for return:

- Personal care and hygiene products
- Innerwear and intimate items
- Customized or made-to-order products
- Products marked as "Non-returnable" at the time of purchase
- Clearance or final sale items

7. Damaged or Incorrect Products

If a customer receives:

- A damaged product
- A defective item
- A wrong product

They must raise a return request within the applicable return window with proper proof (images/videos if required).

8. Important Notes

- Return requests submitted after the return window will not be accepted

- Products must be handed over in proper packaging during pickup
- The company reserves the right to reject returns that do not meet the policy criteria

Refund Policy

This Refund Policy outlines the terms and conditions under which refunds are processed for orders placed on our platform. The policy ensures a transparent and consistent refund experience for customers across all product categories.

1. Eligibility for Refund

Refunds are initiated under the following conditions:

- A return request has been successfully approved and completed
- The product has been received and passed quality inspection
- The order was cancelled as per the cancellation policy
- Payment was deducted but the order was not successfully placed
- The product was out of stock or could not be delivered

Refunds will only be processed if all applicable conditions are met.

2. Refund Process

The refund process begins after one of the following events:

a) After Successful Return Pickup

- The returned product is collected and sent for quality check
- Once approved, the refund is initiated

b) After Order Cancellation

- If the order is cancelled before shipment, refund is initiated immediately

c) Failed or Unsuccessful Orders

- If payment is deducted but the order fails, refund is automatically initiated

3. Refund Timeline

Refund timelines may vary depending on the payment method used:

Prepaid Orders (UPI / Card / Net Banking):

- Refund will be processed within 5–7 business days after approval

Cash on Delivery (COD) Orders:

- Customers may be required to provide bank account details
- Refund will be processed within 5–7 business days after verification

Wallet Payments / Store Credits:

- Refunds may be processed instantly or within 24–48 hours

4. Refund Mode

Refunds are issued using the same mode of payment used during the transaction:

- UPI → Refunded to UPI account
- Debit/Credit Card → Refunded to original card
- Net Banking → Refunded to bank account
- COD → Bank transfer or store credits

The platform does not support changing the refund mode once initiated.

5. Partial Refunds

Partial refunds may be applicable in the following scenarios:

- Only part of the order is returned
- Discounts or promotional benefits applied during purchase
- Shipping or handling charges (if non-refundable)

6. Refund for Damaged or Defective Products

If a product is found to be:

- Damaged during delivery
- Defective or not functioning
- Different from the description

Refund will be processed after verification, and may not require return in certain cases (based on company policy).

7. Refund Rejection Conditions

Refund requests may be declined under the following conditions:

- Returned product fails quality check
- Incorrect or false return reason provided
- Product is missing accessories, packaging, or tags
- Request raised beyond allowed timelines

8. Delay in Refunds

In some cases, refunds may be delayed due to:

- Banking delays
- Payment gateway processing time
- Incomplete or incorrect bank details (for COD refunds)

Customers are advised to wait for the specified timeline before raising a support request.

9. Customer Support for Refunds

If the refund is not received within the expected time:

- Customers can contact support via the platform
- Provide order ID and transaction details for quick resolution

10. Important Notes

- Refund initiation does not guarantee instant credit
- Processing time depends on banks and payment providers
- The company reserves the right to validate refund eligibility before processing

Cancellation Policy

This Cancellation Policy outlines the terms and conditions under which customers can cancel orders placed on our platform. The policy ensures transparency and provides clear guidelines on when and how cancellations can be made.

1. Order Cancellation Eligibility

Customers can cancel an order under the following conditions:

- The order has not yet been shipped or dispatched
- The product is not marked as "non-cancellable" at the time of purchase
- The cancellation request is made within the allowed time window

Once the order is shipped, cancellation is generally not permitted.

2. Cancellation Window

The cancellation window depends on the order status:

Before Order Confirmation:

- Orders can be cancelled immediately after placement

Before Shipment/Dispatch:

- Orders can be cancelled from the "My Orders" section

After Shipment:

- Cancellation is not allowed; customers may initiate a return (if eligible) after delivery

3. How to Cancel an Order

Customers can cancel their order by following these steps:

- Log in to their account
- Navigate to "My Orders"
- Select the order they wish to cancel
- Click on "Cancel Order"
- Choose a reason for cancellation
- Confirm the request

Once submitted, the cancellation request will be processed immediately.

4. Cancellation for Different Payment Modes

a) Prepaid Orders (UPI / Card / Net Banking)

- Upon successful cancellation, the refund process is initiated automatically
- Refund timelines will follow the refund policy

b) Cash on Delivery (COD) Orders

- No payment is required if the order is cancelled before delivery
- In case of repeated cancellations, the platform may restrict COD options for the customer

5. Cancellation by the Platform

In certain cases, the platform may cancel orders due to:

- Product unavailability or out-of-stock situations
- Payment issues or verification failure
- Incorrect pricing or technical errors
- Suspicious or fraudulent transactions

In such cases, customers will be notified, and refunds (if applicable) will be processed.

6. Non-Cancellable Orders

Certain products may not be eligible for cancellation, including:

- Products marked as "Non-cancellable" on the product page
- Customized or made-to-order products
- Perishable or time-sensitive items
- High-demand or limited-time sale items

7. Failed Cancellation Requests

A cancellation request may fail if:

- The order has already been shipped
- The cancellation window has expired
- The product falls under non-cancellable categories

In such cases, customers may use the return option after delivery (if applicable).

8. Important Notes

- Cancellation requests must be initiated through the platform only
- Once cancelled, the order cannot be reinstated
- The company reserves the right to accept or reject cancellation requests based on policy rules

Warranty Policy

This Warranty Policy outlines the terms and conditions under which warranty support is provided for products purchased on our platform. Warranty coverage varies depending on the product category and is primarily governed by the manufacturer or brand.

1. Warranty Coverage Overview

Warranty is applicable only on selected products and categories. It covers manufacturing defects and functional issues under normal usage conditions. Warranty is generally provided by:

- The product manufacturer
- The brand authorized service center

The platform acts as a facilitator and does not directly provide warranty unless explicitly stated.

2. Category-Wise Warranty Coverage

Mobile & Accessories

- Mobile devices typically come with a manufacturer warranty of 6–12 months
- Accessories (such as chargers, earphones, etc.) may have limited warranty coverage or may not be covered

Warranty covers:

- Manufacturing defects
- Hardware malfunctions under normal usage

Shoes

- Shoes generally do not come with a warranty
- Any issues must be addressed through the return policy within the return window

Apparels

- Apparels do not include warranty coverage
- Issues such as size, fit, or quality must be resolved through the return or exchange policy

3. Warranty Claim Process

To claim warranty, customers must:

- Retain the original invoice or proof of purchase
- Contact the authorized service center of the brand/manufacturer
- Provide necessary details such as product serial number, invoice, and issue description

The service center will evaluate the product and determine eligibility for repair or replacement under warranty.

4. What is Covered Under Warranty

Warranty typically covers:

- Manufacturing defects
- Hardware failures under normal usage
- Functional issues not caused by external damage

5. What is Not Covered Under Warranty

Warranty does not cover:

- Physical damage (drops, cracks, water damage, etc.)
- Unauthorized repairs or modifications
- Normal wear and tear
- Damage caused by misuse, negligence, or improper handling
- Accessories or consumables unless specified

6. Warranty Period

- Warranty period starts from the date of delivery or invoice
- The duration is specified on the product page or invoice
- Warranty cannot be extended unless explicitly offered

7. Repair or Replacement Decision

The authorized service center will decide whether the product will be:

- Repaired
- Replaced
- Declared out of warranty

This decision is final and based on manufacturer guidelines.

8. Platform Responsibility

The platform is not responsible for:

- Warranty approval or rejection
- Repair timelines
- Service center decisions

However, the platform may assist customers in connecting with the appropriate service center.

9. Important Notes

- Customers are advised to check warranty details before purchase
- Warranty terms may vary by brand and product
- All warranty claims are subject to manufacturer policies

Exchange Policy

This Exchange Policy outlines the terms and conditions under which customers can request an exchange for products purchased on our platform. The policy is designed to provide a convenient and transparent process for replacing products due to size, fit, or eligible issues.

1. Eligibility for Exchange

Customers may request an exchange for eligible products within the specified exchange window from the date of delivery. To be eligible for exchange:

- The product must be unused, unworn, and unwashed
- All original tags, labels, and packaging must be intact
- The product must be in its original condition
- Proof of purchase (order ID or invoice) must be available

Exchange requests are subject to product availability and verification.

2. Exchange Window

The exchange window varies based on product category:

Apparels

- Exchange allowed within 7 days of delivery
- Applicable for size or fit issues
- Exchange allowed only once per order item

Shoes

- Exchange allowed within 7–10 days of delivery
- Applicable for size-related issues
- Product must be unused and in original packaging

Mobile & Accessories

Exchange is not applicable for size or preference issues

Exchange allowed only in case of:

- Defective product
- Damaged item received
- Wrong product delivered

3. Exchange Process

Customers can initiate an exchange by following these steps:

- Log in to their account
- Go to "My Orders"
- Select the product eligible for exchange

- Choose "Exchange" option
- Select reason (size issue, defect, etc.)
- Confirm the request

Once approved:

- A pickup will be scheduled
- Replacement product will be shipped after verification

4. Product Condition for Exchange

The product must meet the following conditions:

- Must be unused and in original condition
- Tags, labels, and packaging must be intact
- Must not show signs of wear, damage, or alteration

Exchange requests may be rejected if these conditions are not met.

5. Exchange Approval and Verification

All exchange requests are subject to:

- Quality check during pickup or at warehouse
- Availability of replacement product

If the requested size or product is unavailable, the system may:

- Offer alternative options
- Convert the exchange request into a return/refund (based on policy)

6. Exchange Limitations

- Exchange is allowed only once per product
- Multiple exchanges for the same item are not permitted
- Exchange requests must be raised within the exchange window

7. Non-Exchangeable Products

The following items are not eligible for exchange:

- Innerwear and intimate products
- Personal care and hygiene items
- Customized or made-to-order products
- Products marked as "Non-exchangeable"
- Clearance or final sale items

8. Exchange for Damaged or Incorrect Products

If a customer receives:

- A damaged product

- A defective item
- A wrong product

They can request an exchange within the allowed window. In such cases, replacement will be provided subject to verification.

9. Important Notes

- Exchange depends on product availability at the time of request
- Customers are advised to select the correct size and variant while placing the order
- The company reserves the right to accept or reject exchange requests based on policy conditions

Shipping Policy

This Shipping Policy outlines the terms and conditions related to the shipping, delivery, and handling of orders placed on our platform. The policy ensures transparency in delivery timelines, shipping charges, and order tracking.

1. Shipping Coverage

We offer shipping services across multiple locations, subject to serviceability of the delivery address.

- Orders can be delivered to most serviceable PIN codes
- Availability of shipping options may vary based on location
- Certain remote or restricted areas may have limited delivery services

Customers are advised to check delivery availability at the time of placing the order.

2. Order Processing Time

- Orders are typically processed within 24–48 hours after confirmation
- Orders placed on weekends or public holidays may be processed on the next business day
- Processing includes order verification, packaging, and dispatch preparation
- Delays may occur during high-demand periods such as sales or festive seasons

3. Delivery Timelines

Estimated delivery timelines depend on product category and location:

Mobile & Accessories

- Delivery within 2–5 business days

Shoes

- Delivery within 3–6 business days

Apparels

- Delivery within 3–7 business days

Delivery timelines are indicative and may vary due to external factors.

4. Shipping Charges

- Free shipping may be available on orders above a certain value (e.g., ₹500)
- Standard shipping charges may apply for orders below the minimum value

Additional charges may apply for:

- Express delivery
- Remote locations

Shipping charges, if applicable, will be displayed at checkout.

5. Order Tracking

Once the order is shipped:

- Customers will receive a tracking ID via SMS/email
- Order status can be tracked in the "My Orders" section
- Real-time updates will be available until delivery

6. Delivery Attempts

- Delivery partners will attempt delivery up to 2–3 times
- If the customer is unavailable, re-attempts will be scheduled
- After failed attempts, the order may be returned to the warehouse

7. Delayed Deliveries

Delays in delivery may occur due to:

- High order volumes
- Weather conditions
- Logistics or transportation issues
- Incorrect or incomplete address details

In such cases, customers will be notified and provided with updated delivery timelines.

8. Incorrect Address or Delivery Issues

- Customers are responsible for providing accurate delivery details
- Orders with incorrect or incomplete addresses may be delayed or cancelled
- Additional charges may apply for re-delivery in certain cases

9. Damaged Packages During Delivery

If a package appears to be damaged at the time of delivery:

- Customers are advised to refuse acceptance or record proof (photos/videos)
- Such cases should be reported immediately through the platform
- Appropriate resolution will be provided as per company policies

10. Important Notes

- Delivery timelines are estimates and not guaranteed
- Shipping policies may vary based on seller or product type
- The company reserves the right to update shipping terms without prior notice

Payment Policy

This Payment Policy outlines the terms and conditions related to payment methods, transaction processing, and payment-related issues for orders placed on our platform. The policy ensures a secure and seamless payment experience for all customers.

1. Accepted Payment Methods

We offer multiple payment options for customer convenience:

- Credit Cards / Debit Cards (Visa, MasterCard, RuPay)
- UPI (Unified Payments Interface)
- Net Banking
- Mobile Wallets (if applicable)
- Cash on Delivery (COD) (available for select locations and orders)

The availability of payment methods may vary depending on the product, order value, and delivery location.

2. Payment Authorization

- All online payments are subject to authorization by the respective bank or payment provider
- In case of payment failure, customers are advised to retry using the same or a different payment method
- Orders will only be confirmed after successful payment authorization (for prepaid orders)

3. Cash on Delivery (COD)

- COD is available for eligible orders based on location and order value
- Customers are required to pay the full amount at the time of delivery
- Exact change is recommended for a smooth delivery experience
- The platform reserves the right to restrict COD for users with repeated order cancellations or failed deliveries

4. Payment Failure and Recovery

In case of payment failure:

- If the payment is unsuccessful, the order will not be confirmed
- If the amount is deducted but the order is not placed: The amount will be automatically refunded within 3–5 business days
- Customers should avoid making multiple payment attempts simultaneously

5. Payment Security

- All transactions are processed through secure and encrypted payment gateways
- Sensitive payment details are not stored on the platform

- The platform complies with industry-standard security practices to protect customer data

6. Pricing and Charges

- All product prices are displayed inclusive of applicable taxes (unless stated otherwise)

Additional charges may include:

- Shipping fees
- Convenience or handling charges (if applicable)

The final payable amount is shown at the checkout page before payment confirmation.

7. Invoice and Billing

A digital invoice is generated for every successful order. Customers can access invoices from the "My Orders" section. The invoice includes:

- Product details
- Price breakdown
- Taxes and charges

8. Payment Disputes

In case of any payment-related disputes:

- Customers should contact support with relevant transaction details
- Issues will be reviewed and resolved in coordination with payment providers

9. Restrictions and Fraud Prevention

The platform reserves the right to:

- Cancel suspicious transactions
- Block accounts involved in fraudulent activities

Additional verification may be required for certain transactions.

10. Important Notes

- Payment must be completed before order processing (except COD)
- Payment options may change without prior notice
- The platform is not responsible for delays caused by banks or payment gateways

Replacement Policy

This Replacement Policy outlines the terms and conditions under which customers can request a replacement for products purchased on our platform. The policy is designed to provide a seamless experience in cases where customers receive defective, damaged, or incorrect products.

1. Eligibility for Replacement

Customers can request a replacement under the following conditions:

- The product received is defective or not functioning properly
- The product is physically damaged at the time of delivery
- An incorrect product has been delivered

Replacement requests are subject to verification and product availability.

2. Replacement Window

The replacement request must be initiated within the specified time frame from the date of delivery:

Mobile & Accessories

- Replacement allowed within 7 days of delivery
- Applicable only for defective or damaged products

Shoes

- Replacement allowed within 7–10 days of delivery
- Applicable for defective or incorrect products

Apparels

- Replacement allowed within 7–10 days of delivery
- Applicable for defective or incorrect items

3. Replacement Process

Customers can request a replacement by following these steps:

- Log in to their account
- Navigate to "My Orders"
- Select the product eligible for replacement
- Choose the "Replace" option
- Select the reason (defective, damaged, wrong product, etc.)
- Submit the request

Once the request is approved:

- A pickup for the original product will be scheduled
- The replacement product will be shipped after verification

4. Product Condition for Replacement

To be eligible for replacement:

- The product must be returned with original packaging, tags, and accessories
- The product should not be intentionally damaged or tampered with
- All components (manuals, chargers, etc.) must be included

5. Verification and Approval

Replacement requests are subject to:

- Product inspection during pickup or at warehouse
- Verification of the issue reported

The request will be approved only if it meets all policy conditions.

6. Replacement Based on Availability

Replacement is subject to stock availability. If the same product is unavailable:

- Customers may be offered an alternative product
- Or the request may be converted into a return/refund as per policy

7. Non-Eligible Replacement Cases

Replacement requests will not be accepted under the following conditions:

- Product is used, damaged due to misuse, or altered
- Request is raised beyond the replacement window
- Issue does not match the actual condition of the product
- Missing original packaging, tags, or accessories

8. Replacement for Damaged or Incorrect Delivery

If a customer receives:

- A damaged product
- A defective item
- A wrong product

They should initiate a replacement request within the allowed window, along with proof (images/videos if required).

9. Important Notes

- Replacement is only provided for eligible cases and is not applicable for personal preference (unless stated)
- The company reserves the right to approve or reject replacement requests based on verification
- Customers are advised to check product details carefully before placing an order
